

Remarks

This Amendment corrects formal matters without changing the scope of the claims. Specifically, paragraph 59 was amended to correct a minor grammatical formality, and a drawing amendment was made to the formal drawing of FIG. 3A. In the formal drawing of FIG. 3A, reference number 302 as appeared in FIG. 3A as originally filed was added. It was inadvertently left off of the formal drawing. Neither of these amendments adds new matter. Accordingly, Applicants respectfully request that this Amendment be entered.

Respectfully submitted,

STERNE, KESSLER, GOLDSTEIN & FOX P.L.L.C.
